## CHAIRMAN'S REPORT

*As we enter the 1990's we can take some pride in that the league has continued to be not only the flagship of Australian Soccer but also a financially viable National Competition in a very difficult environment having regard to distance between major cities.*

*It is of course true that we are still facing major obstacles in that Soccer is still perceived as "ethnic" minority sport and that attendances at some matches are not as good as we would like them to be.*

*But having said that we must accept the reality that most alternatives have been tried and failed either before the commencement of the League in 1977 or during the past thirteen year.*

*The switching of the playing season this year to the summer months is proving a bonanza particularly to Clubs with lights and Social Club facilities.*

*It is important of course, to realise that we cannot expect miracles merely by the change of season and Clubs must provide better facilities and promote beyond their narrow circle.*

*As administrators we must face up to the problems created by the present system of promotion and relegation and find a way to allow a better geographic representation in the League without destroying what has taken thirteen years and many millions of dollars to create.*

*We must again acknowledge the support given to us by the Victorian Health Promotion Foundation in both sponsoring the League through the Quit Campaign and providing us with invaluable Administrative assistance.*

*We acknowledge the support of Ansett Airlines, Mitre Sport and all our other minor sponsors.*

*Once again, I wish all Clubs, players and supporters a successful 1990 season.*

Chairman

## QUIT AND THE NSL - A HOT TEAM

As the weather hots up so does the action on the field in the inaugural summer season of the National Soccer League, proudly sponsored by the **QUIT CAMPAIGN**.

The **Quit** sponsorship has injected a healthy \$420,000 into the NSL over the 1989/90 Summer season. The **Quit National Soccer League** sponsorship is being funded by the Victorian Health Promotion foundation and Foundation South Australia and involves the **Quit** campaigns from Victoria and South Australia.

Soccer is considered to be a great vehicle to endorse the **Quit** message and reach new markets and populations.

The NSL has also shown that soccer is benefiting from breaking its long held ties with the tobacco industry. No longer are NSL players and grounds used to promote tobacco to Australians.

Rhonda Galbally, Chief Executive Officer of the Victorian Health Promotion Foundation commented, "we are delighted to be involved with Soccer in general and the National Soccer League in its inaugural summer season. The public will have a great opportunity to see Soccer played at even higher levels due to better summer playing conditions. I am sure the **Quit National Soccer League** will be a complete success and we are pleased to be the major funder of this major sponsorship".

The **Quit** sponsorship has also given its support to the Melbourne 1996 Olympic Bid. **Quit** sponsorship has got right behind Olympic bid by with only the World Cup surpassing the Olympic Games as a soccer event.

The marketing of soccer in this country is important if the game is to make an impact on the sports enthusiast. This important task has been given to CSS. CSS will be working closely with the NSL and **Quit** on the marketing and promotion of the League. Soccer in the 90s has an extremely bright future as all groups pull together to develop the "World Game".

With the summer season propelling soccer into a new and exciting era, the **Quit** sponsorship announcement is the boost the game needs for a strong kick off into the 90's. For the **Quit National Soccer League** this summer, "The Heat is on".

Another major sporting organisation has also made the public comment, "Tobacco and sport don't mix".

## JANUARY

The 1989 NSL Season kicked off with the usual flurry of action on and off the field. The League announced its new sponsorship agreements with the **Victorian Health Promotion Foundation (VHPF)** and **ABC Television**, who will now televise nationally Australia's major domestic soccer competition. APLA Leichhardt former assistant coach **Mike Urukalo** is appointed to take over from **Rale Rasic** and the team is promptly tagged 'Dads Army' when they sign **John Kosmina (32)**, **Steve O'Connor (34)**, **Kevin Hagan (31)** and **Craig Mason (32)**. The NSL introduced a full round of matches on Australia Day, so by the end of the second week the championship table was already taking shape, with enigmatic Sydney Croatia top of the charts. The honour of the first goal of the season fell to South Melbourne Hellas's **Angie Postecoglou** helping his club to the first points in their 3-0 win over St George at St George Stadium.

Melbourne Croatia striker **Ivan Kelic** grabs the first 'hat-trick' of the season, in his Club 6-0 drubbing of newcomers Blacktown City, lifting his personal tally to eight (8) goals to lead the goalscorers table. Marconi striker **Zlatko Nastevski** also grabbed a hat-trick which lifted his side into top spot in the championship race. Yugoslav import **Milan Ivanovic** joins Adelaide City from Red Star Belgrade.

## MARCH

The 1989 NSL Cup kicks off with APLA Leichhardt, Heidelberg United, Marconi Fairfield, South Melbourne Hellas, Sydney Olympic and Sunshine George Cross joining Adelaide City and Wollongong City (byes) in the second round of the competition. Wollongong Wolves coach **John Fleming** becomes the third coaching statistic for the season when he resigns his position with the club; former Sydney Olympic and Marconi coach **Doug Collin** is appointed for the remainder of the season. The big wet continues in Sydney, ruling out St George Stadium for nearly a month. **Abbas Saad** (Sydney Olympic) hits a hat-trick against leaders Marconi who have their lead narrowed to two points by Melbourne Croatia. The relegation battle heats up at the other end, with Blacktown City, Heidelberg United, Melbourne City JUST and Sunshine George Cross all fighting for survival. **Zlatko Nasteovski** still leads the goalscorers with (17) goals. Relegation battler **Melbourne City JUST** wins the monthly **Primo Fair Play Award**.

## JULY

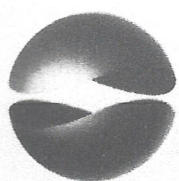

**Marconi Fairfield** secure the NSL Premiership after sharing the points with Preston Makedonia in a top of the table thriller. They were joined by Melbourne Croatia, St George BSC and Sydney Olympic in the Top Five Championship Play offs. Whilst at the other end of the table Sunshine George Cross and Blacktown City performs 'Houdini' acts to avoid relegation at the expense of NSL founder members **Heidelberg United** (formerly Fitzroy United) and **Melbourne City JUST** (formerly Footscray). Sydney Olympic and Adelaide City qualify for the NSL Cup Final. The monthly **Primo Fair Play Award** goes to premiers **Marconi Fairfield**.

## AUGUST

However, before a record NSL crowd of 23,387 at the Parramatta Stadium they succumbed to a last minute goal by ace goalscorer **Zlatko Nasteovski**. Then a week later at Hindmarsh Stadium, they were once again the bridesmaids, when **Adelaide City**, won the cup for the second time by 2-0. Southern Division Youth League Champions Sunshine George Cross prevented Marconi from capturing the NSL and NYL double for the second year in succession when they defeated the Fairfielders 3-2 in Melbourne. However, the NSL Champions also won the inaugural **Primo Fair Play Cup**, coach **Bertie Mariani** was voted 'Coach of the Year' by his peers, whilst **Zlatko Nasteovski** collected the Players Player Award to go with his 'Top Goalscorers' award. # MARCONI: "THE N.S.L. ARISTOCRATS"

by Frank Scicluna

When Berti Mariani took Marconi to its first National Soccer League championship in a decade with the unforgettable victory over Sydney Croatia last year, there were some critics who stated quite openly that an element of luck was involved in winning that title. Earlier this season, even some of the team's strongest supporters predicted Marconi will struggle to repeat that performance, following the departure of leading goalscorer Frank Farina to Belgium.

At Parramatta Stadium on August 13, those same critics, together with almost 24,000 fans, saw the culmination of a glorious season which left no doubt in anyone's mind that Marconi is now firmly established as the true Australian Champions.

Their championship was not merely retained in 1989, it was won with a rare blend of professionalism, dedication, style and panache which created all sorts of records and took soccer in this country to new, previously unimagined heights. A huge, almost endless catalogue of achievements included:

- \* Running away with the minor premiership leaving their closest challengers trailing by 6 points;
- \* Produced 62 goals in the process - the highest ever in a 26 match season;
- \* Become the first team *ever* to complete a minor premiership - grand final winning double;
- \* Comfortably won the inaugural Fair Play Trophy;
- \* A 22 goal haul from super striker Zlatko Nasteviski, eclipsing Mark Jankovic's 10 year old Club record of 18 in one season;
- \* Supplied the league's two leading scorers with Fred de Jong finishing second behind Nasteviski;
- \* Attracted more fans than any other club in the league - a total of 56,875 for an average of 4,375 per home match;
- \* Retained the NSL Under 19 Youth League Championship.

The accolades for a magnificent season just keep rolling in. Nobody could have dared hope for so much success. No other club has ever achieved, nor thoroughly deserved so much.

When Marconi kicked off their defence of the title with a mere 3 points from

**Marconi's captain Steve Calderan with the Cup after the victorious match against Sydney Olympic. (Photo by Sephen Gosch)**

their first three matches following a shock 3-1 away defeat by Sunshine, the knockers were quick to predict their demise. The following nine matches however, saw the champions record 8 wins and a draw, scoring an incredible 30 goals along the way.

Marconi were turning the competition into a one-horse race, and despite a couple of hiccups with surprise defeats by St George and Adelaide City, the Fairfield side never relinquished its stranglehold on the premiership. Marconi were only destined to lose once more, and ironically, it was a defeat at the hands of the eventual grand final opponents Sydney Olympic.

As events unfolded, that loss may have been a blessing in disguise as it gave the team an additional incentive to gain

revenge in the ultimate title decider at Parramatta Stadium.

A 1-1 draw with neighbours Sydney Croatia a week later, was to be the last time that a goal was scored against the champions in the remaining five matches.

Blacktown City were comprehensively brushed aside 4-0 to clinch the minor premiership, and second placed Melbourne Croatia were also demolished by the same scoreline four days later.

Preston squeezed into fifth place with a scoreless draw at Bossley Park on the final day of the home and away season. With the premiership all sewn up, Marconi had to prove their vast superiority

all over again by winning the championship grand final, and booked a berth into the big one with a Zlatko Nasteovski goal in a 1-0 victory over Frank Arok's St George.

When the Saints went down to Sydney Olympic by the same scoreline a week later, the stage was set for a showdown that all soccer fans had been waiting for.

Olympic were the only side that Marconi had failed to overcome in their charge for back to back titles, and this was their chance to completely assert their domination.

Bossley Park was in the grip of football fever in the week leading up to the grand final. Marconi fans rallied around their side as never before. Of the near 24,000 crowd that packed Parramatta Stadium on grand final day, a sea of green, white and red colours lifted the team to a courageous victory against all the odds.

Berti Mariani's eleven man side put paid to the aspirations of Eddie Thomson's title pretenders and, as he had done all season, it was Nasteovski who delivered the title winning goal in injury time after a titanic struggle.

There surely cannot be anyone who will begrudge Marconi it's inspiring triumph. What more can anyone ask from any side? They proved themselves to be streets ahead of their challengers over a 26 weeks season, then did it all over again in a one-off, sudden-death decider against the strongest contender for their championship.

Marconi has this year displayed conclusive evidence that in this day and age of cynical and so-called percentage football, it is still possible to achieve great-

ness with the type of soccer that will bring fans streaming through the gates.

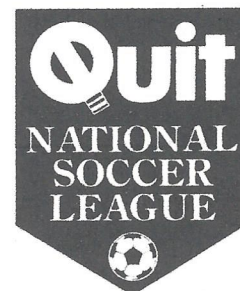

England may have its Liverpool, Spain its Real Madrid and Italy its Juventus. Marconi has done more than enough in

the last two years to be now unanimously regarded as *The Aristocrats* of Australian Football.

# MIX IT WITH THE BEST.

Boral Resources is a major force in the Australian construction industry.

In quarrying, Boral Resources is represented by Boral, BMG and Quarry Industries.

Boral Resources is one of the largest suppliers of premixed concrete, marketed under the Boral Concrete and BMG Concrete names.

**BORAL RESOURCES**

Greystanes Road, South Wentworthville  
New South Wales 2145

When it comes to concrete placing, another Boral Resources company, De Martin and Gasparini, is a leading name.

Boral Resources is also a major bulk materials transporter with over 250 vehicles in the Aztec Transport fleet.

When you work with Boral Resources you know you're mixing it with the best.

From the moment you learn to say  
no to smoking, your body begins to  
bounce back.

Your heartbeat slows to a  
healthier pace almost immediately

and your blood pressure starts to  
drop.

After just 24 hours you'll have  
more energy.

Give it 48 hours and you'll feel

and smell fresher. Your taste buds  
will come alive and your sense  
of smell will improve.

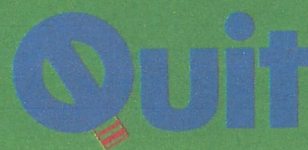

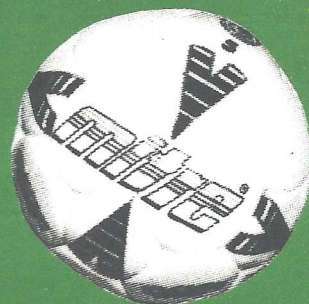

But most importantly, with  
enough time, you will significantly

reduce your risk of emphysema,  
lung cancer and heart disease.

You'll be fit for life. And that's the  
best game of all.

NO THANKS I'LL STAY ON THE BALL
